

Sub: Business opportunity in Tourism Sector in Uttrakhand
for Retired/ Retiring Army personnel.

Dear Sir

Uttrakhand has large number of Defense Personnel from - Navy, Air Force or Army. Retired and retiring personnel from Hills prepare their children also for Defense Services. Problem arises at mid of life when they have to search a job. Jobs are not available in Hills so Migration to plains of Uttrakhand.

I wished to resettle in Hills in own Village Chamua near JAGESHWAR SHIVA TEMPLE in Bhanoli Tehsil 45 Kms away from Almora District Hq. and a lot savings were spent in constructing a 5 Storied Building on Road Side of Chamua Village near Jageshwar Pilgrimage Place i. e. 8 Kms. from Jageshwar towards Naini. With an idea to run a Guest House for Tourists pouring in Jageshwar on pilgrimage this building was constructed. There is shortage of suitable accommodation in Jageswar. This Guest House ran for few months after it started in 2012. I fell ill due to arthritis and stay in Delhi for treatment.

Guest House is now for sale. Description is attached herewith. Idea is that any retiring Defense Personnel may accept the proposal to run this Guest House. Cost is considerably low say on cost to cost basis. May you please introduce the proposal among retiring personnel from Uttrakhand seeking resettlement. Responses may be sent on my mail idesncpandey@gmail.com and Mobile No. is 09350606095

Thanking you,

Sincerely yours
